FOREWORD

The Seniors of Hamilton High School cordially invite you to visit our institute through the pages of our 1953 yearbook, The Hamiltonian. It is a pleasure for us to be your guide for the tour of surroundings and happenings in our school.

You will be interested in the illustrations of our new annex and of the use we have made of our modern facilities. The book contains a pictorial review of all our classes and the pupils who participate in our school activities.

DEDICATION

The students of Hamilton High School are proud to dedicate the 1953 Hamiltonian to MISS RUTH E. AUSTEN. She cheerfully shared with us her varied talents and skills, leading us competently through our years at H. H. S.

The Glee Club has been a mixed girls' and boys' chorus this year with membership open to all grades from seven to twelve. Our first appearance was at the dedication of the Elementary School in a very formal and impressive program conducted by special representatives of the Building Committee and the School Board. "God Bless America" and "Marianina" were sung at this program.

On March 8 the Glee Club was invited to give a Sunday Evening Musical at the Congregational Church. The young people and their parents from all the churches gathered to hear us perform an enjoyable program with Johnstone Geikie accompanying on the pipe organ. This program included excerpts from "Pinafore" and various other selections.

On Monday evening, March 23, the Glee Club repeated the excerpts from "Pinafore" for the Exhibition Program at the High School.

On the evening of the presentation of the play, April 17, the Glee Club sang between the acts.

Beginning with the second half of the school year, a new activity was started. All interested in learning to play a band instrument and all who could play were brought together at the activity period. Twenty signified their interest, including six who already had experience in playing. Seven have purchased instruments and are now learning to play. The others are to purchase instruments as soon as possible.

Our first appearance was at the Open House Night, March 23. It is hoped the band will be able to play at future athletic events.

School Drama

For the first time in many years, Hamilton High School presented a production entitled, "Our Miss Brooks." From the beginning of the school year, up until the night of the production, many rehearsals were held which entailed much hard work and effort on the part of the cast and coach, Mrs. McKey.

Although the three acts took place in a typical high school classroom, each act depicted various predicaments faced by the characters in producing a play, Lost Horizon. These situations closely resembled the actual difficulties faced by the the real cast.

The characters were portrayed well and the play was enthusiastically received.

The cast was comprised of:

Miss Brooks, the English teacher	Phyllis Smerage
Miss Finch, the librarian.	Anne LeBlanc
Miss Audubon, the music teacher.	Phyllis Allen
Hugo Longacre, the basketball coach	Raymond Whipple
Mr. Wadsworth, the principal.	Clarence Trepanier

Sports Rules and Ethics of the Sports Club as it is generally known has had an average membership of about 18 throughout the year. The Club which has also included several girls is intended for the spectator in order that he may better enjoy watching sports by understanding them better. In order to gain the most as a spectator a knowledge of fundamental techniques is helpful; and these are, of course, helpful to the athlete also.

The Sports Club places most emphasis on the major sports -- football, baseball, basketball; but the minor sports receive attention too.

We are indebted to the M. S. S. P. A. for some excellent movies of football, basketball and baseball. The films dealt with techniques as well as rules' demonstration.

A varied program of demonstrations, movies, radio programs, discussions, quiz programs, and other activities have increased the sports knowledge and interest of the members.

Book Club

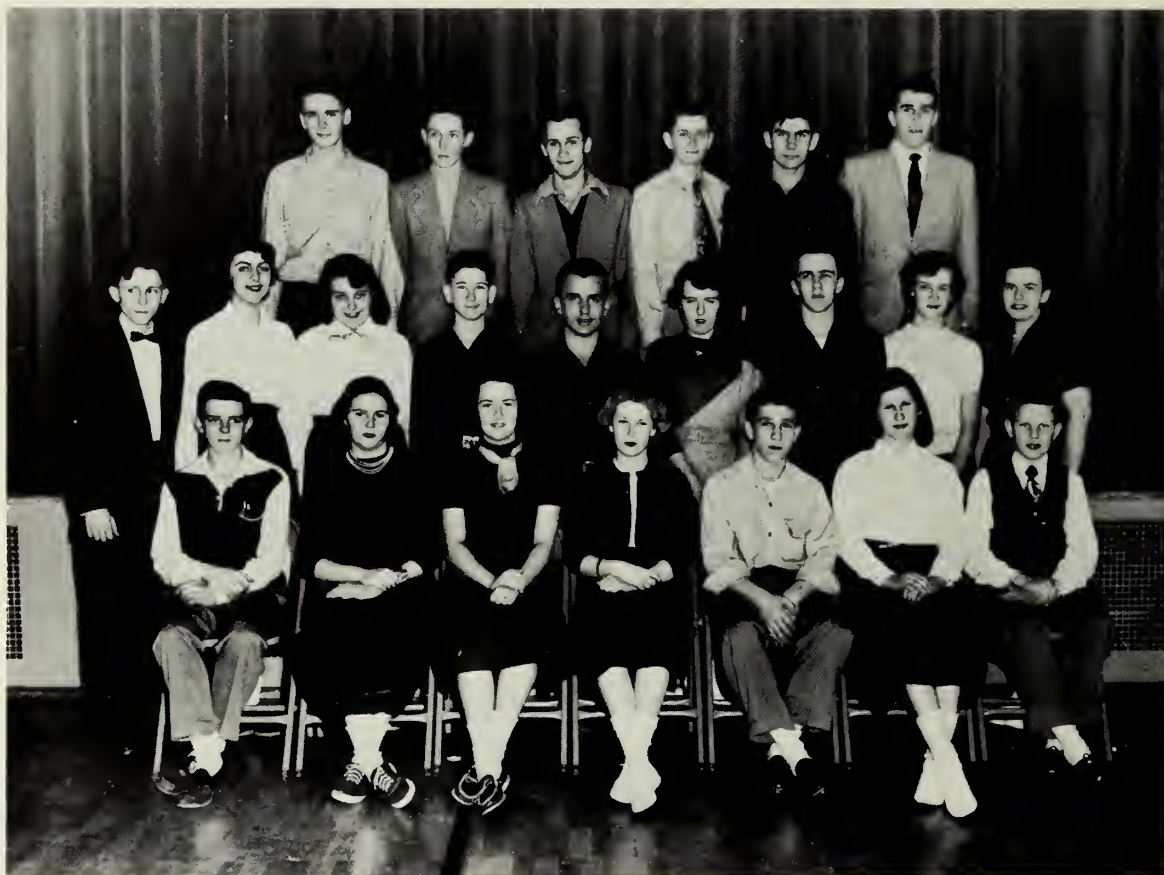

First Row: John Neary, Gail Foster, Carroll Carnes, Advisor, Miss McKay, Mary Byrnes, Albert Edmondson, Thomas Cullen.

Second Row: Robert Allen, Philip Trussell, Thomas Haraden, Kenneth Morrison, Donald Killam.

The Book Club's aim is to help students derive a sense of satisfaction and accomplishment from reading. The members read whatever they most enjoy, and try to discover, by direct experience, all the different kinds of enjoyable reading there are so that their choice need never be limited.

The purposes of reading books are varied. Reading for entertainment provides the greatest and most varied show on earth. Informational reading helps to stimulate an active state of mind. Background reading enables a person to acquire a worthwhile sense of value, a fair, impartial, and considered attitude to facts. Reading companionship introduces individuals to new friends, while reading culture enlarges a person's sense of values.

Second Row: Richard Morris, Katherine Sanders, Margaret Pierce, Douglas Woodman, Ernest Tozier, Lee Saunders, Walter Buzzell, Elaine Titus, Advisor, Miss Maskiewicz.

Third Row: Dennis White, James Trussell, Robert Whiteman, Richard Morse, James Parker, Peter Tillson.

Absent When Picture Was Taken: Jeanne Rice, Robert Rollins, Bruce Ranger.

The game club was formed on the last of January for the purpose of providing recreation as well as knowledge of basic rules of bowling, tennis and softball.

During the winter months every Tuesday, twenty-four members trudge through sun, snow, sleet and rain to the Community House to bowl.

Many thanks go to Jimmy Parker and Albie Edmondson for the use of their taxi service

As soon as the tennis courts were officially opened many tennis champs displayed their talent in spite of the blazing sun overhead.

One of the highlights of the club's program was witnessing an American League Baseball game in Boston.

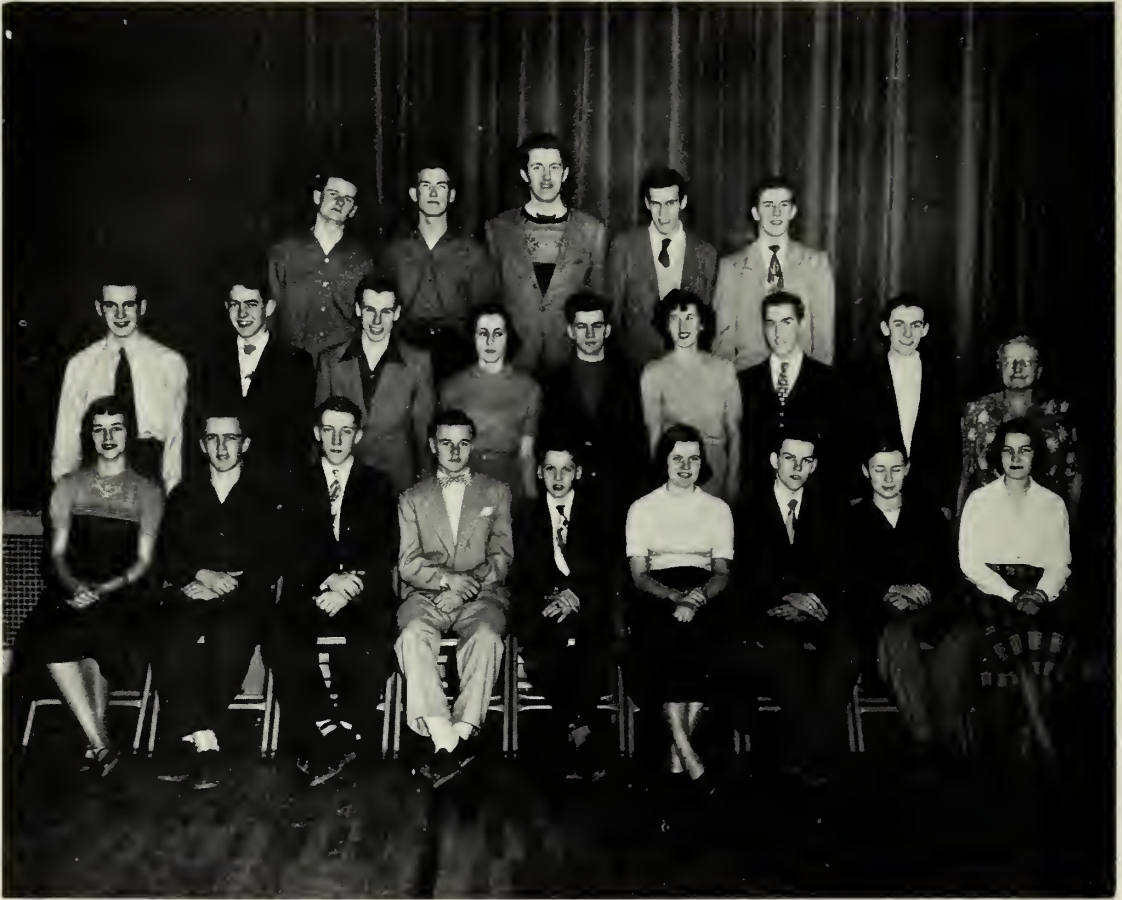

Woodworking

Left to Right: Arnold Wentworth, Richard Shannon, Stephen Sargent, Haskell Fuller, Advisor, Mr. Marshall Gero, Charles Cares.

The problem of allowing all boys who desired a class in woodworking was partially solved when an activity period in the "shop" was scheduled. On Tuesday afternoons, the boys who chose this as an activity, could learn how to use the various tools and machines, plan projects, and make or repair household articles. This experience gathered while working around the various machines will prove more valuable to the boys in their later life.

Fire Squad

First Row: Shirley Semons, Walter Buzzell, Robert McRae, Robert Henley, Richard Johnson, Janet Smerage, Glenn Cook, George Delaney, Emily Nickerson.

Second Row: Thomas Cullen, John Humphrey, Raymond Whipple, Anne Le Blanc, Philip Maione, Barbara Liscomb, Clarence Trepanier, Philip Trussell, Mrs. Ramer.

Third Row: Lawrence Smith, Donald Killam, Theodore Johnson, Edmund Liscomb, Wayne Gauthier.

Absent When Picture Was Taken: Priscilla Holmes, Wayne Grove, Fred Proctor, James Parker, Charles Cook, Peter Tillson.

The fire squad this year has had a bigger and more difficult job than ever before in the school's history. With the advent of the new wing and a modern gymnasium, the problem of evacuating the building quickly and without incident became one that required much planning.

With the assistance of Mrs. Ramer, the fire squad of 28 members (from grades 7 - 12) met and worked out the problems satisfactorily. There are approximately ten fire extinguishers in the building, each maned by a competent operator. The remainder of the squad is occupied with directing traffic, clearing the rooms, closing all windows, and shutting the fire doors.

With our new smooth functioning system we can evacuate the building in forty-eight seconds.

OUR ATHLETES

Varsity Club

First Row: Ruth Messer; Nancy Dodge; Philip Trussell, Treasurer; John Carter, President; Advisor, Mr. Martini; Ted Johnson, Vice President; Shirley Semons, Secretary; Anne LeBlanc.

Second Row: Phyllis Allen, James Parker, Paul McGinley, Margaret Pierce, Robert Henley, Margaret Trepanier, Emily Nickerson, Lloyd Cann, Clarence Trepanier, Barbara Liscomb.

Third Row: Phyllis Smerage, Gail Foster, Priscilla Holmes, Ruth Bodge, Betty Henley, Katherine Sanders.

Fourth Row: Peter Tillson, Wayne Gauthier, Peter Thimmer, Lawrence Smith, Edmund Liscomb, Raymond Whipple.

The H.H.S. Varsity Club is the official athletic organization of our school. Its members and officers are made up of boys and girls in our school who have earned letters in any sport during any year.

As our advisor, Mr. Martini guided our officers and our membership in the policies and endeavors of the Varsity Club. It is the purpose of this club to band together the athletes of the school for the common good of the school or of school sports.

Among our accomplishments this year was the propagation of a Military Whist Party which proved to be a huge success. A gift was given to the one injured athlete of the season, Wayne Gauthier. Enough money was raised through the sale of candy at school functions and the sale of emblems so that letters and sweaters could be presented to deserving girls and boys who had taken part in the Hamilton High School sports program. Varsity Club sweaters were given to Ted Johnson, Bob Henley, Phyllis Allen, Betty Henley, Anne LeBlanc, and Barbara Liscomb.

Football

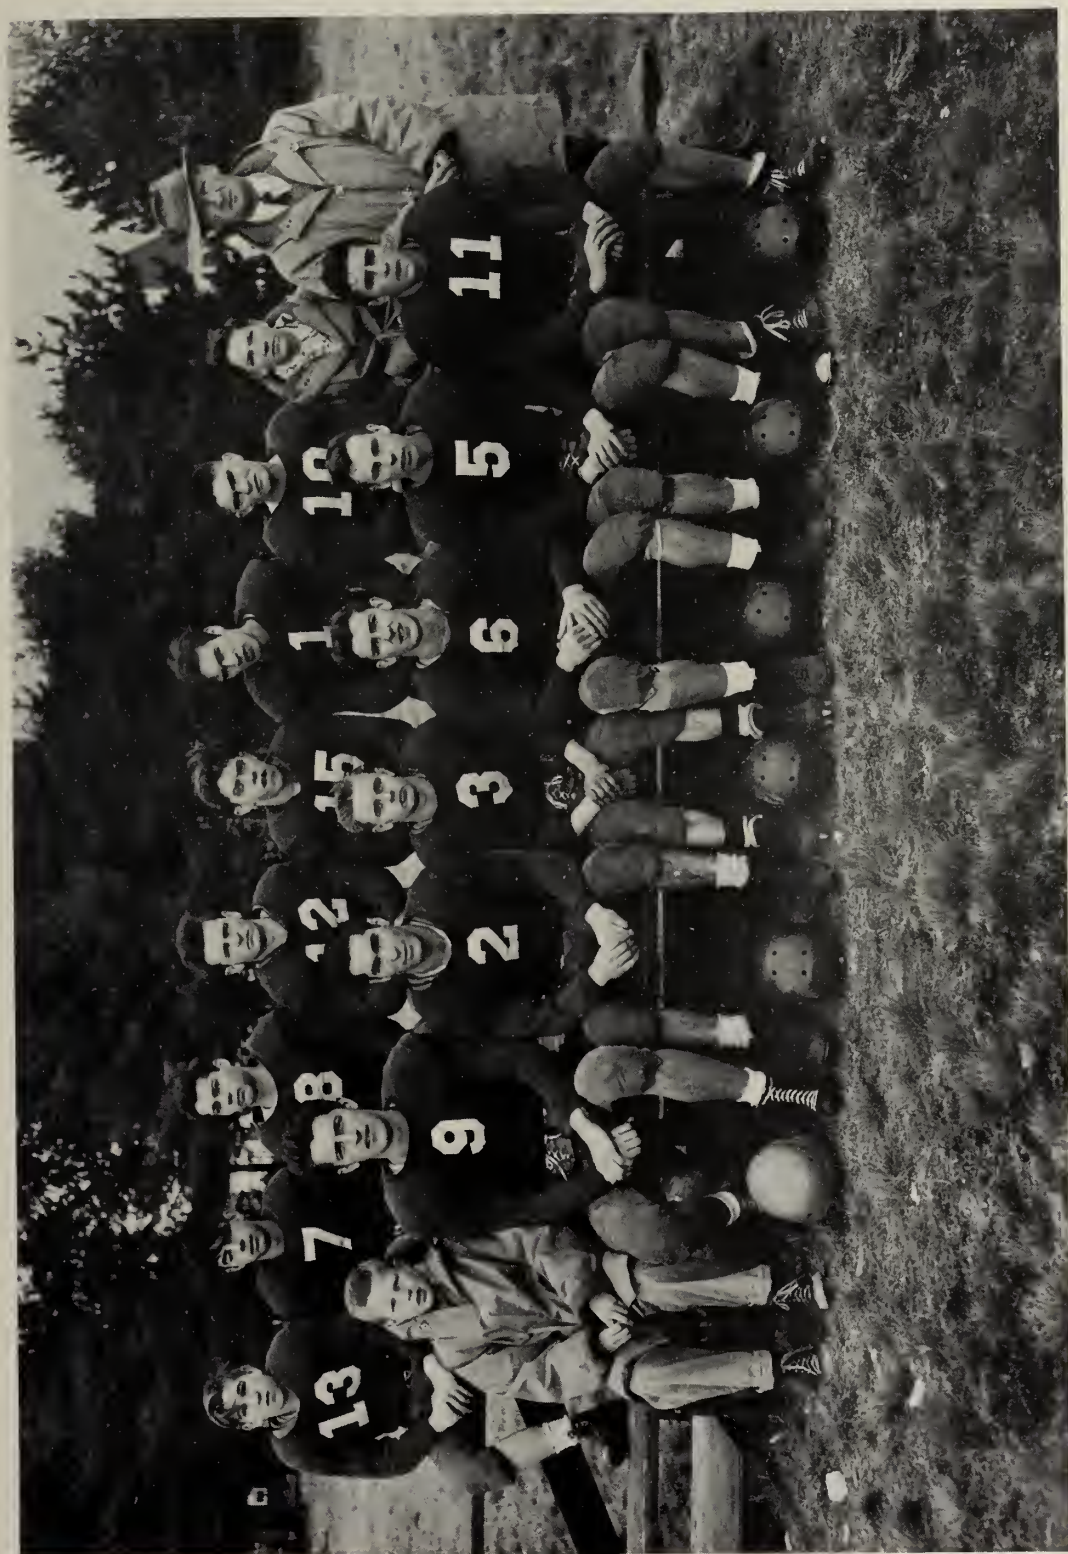

The Hamilton High School Football Team carried on from where the 1951 Champions left off, with another undefeated season. The Hamilton High Football Team had a 19 game winning streak as of the season.

There were really no outstanding players on this team, but a bunch of boys with football stamina in them who followed orders from their outstanding coach, Wilton J. Moyer.

The team of 1953 will have several newcomers since they are losing the entire first string which included Captain Bob Henley, Wayne Gauthier, Clarence Trepanier, Peter Tillson, and Ted Johnson.

We will have a young Junior, Raymond Whipple, and a Senior Lawrence Smith, to lead the team to victory.

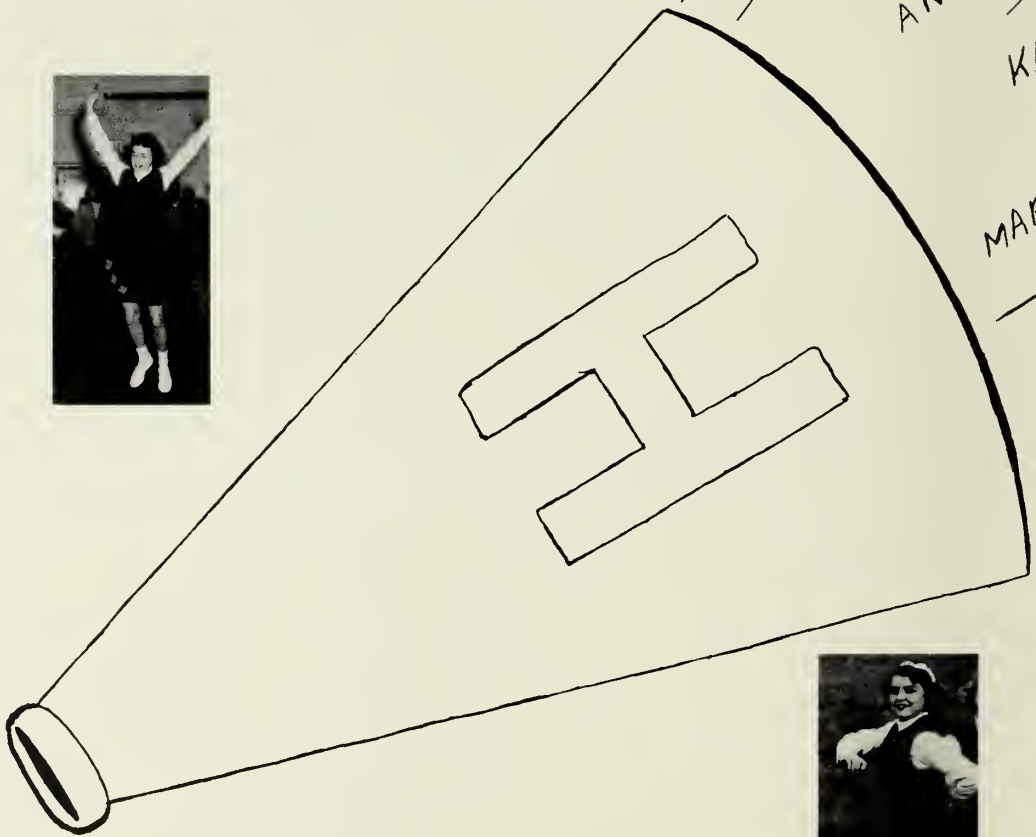

First Row: Manager Fred Proctor, Ted Johnson, Clarence Trepanier, Captain Bob Henley, Wayne Gauthier,
 Raymond Whipple, Peter Tillson.
 Second Row: Tom Sinkiewicz, Peter Thimmer, Dick Bertone, Lawrence Smith, Edward Millett, Eddie
 Liscomb, Paul McGinley, Asst. Manager Myron Hood, Coach Wilton J. Moyer.

Cheerleading

Six seniors and four juniors entered into the animated football and basketball seasons with enthusiastic anticipation for a successful year. The girls included co-captains, Betty Henley and Shirley Semons, Anne LeBlanc, Emily Nickerson, Phyllis Allen, Nancy Dodge, Kay Sanders, Margaret Pierce, Margaret Trepanier, Gail Foster, and a reliable sub cheerleader, Marjorie Henley. The highlights of both seasons will long be remembered by all.

For the first time the Hamilton Cheerleaders participated in the annual cheerleading tournament held at Spencer, Massachusetts.

The graduating yell-leaders wish for next year's group a lively, lilting, looping season.

Girls' Basketball

First Row: Ruth Bodge, Margaret Pierce, Carol April, Margaret Trepanier, Barbara Liscomb, Ruth Messer, Phyllis Allen, Priscilla Holmes.
 Second Row: Coach Miss Maskiewicz, Frances Donlan, Nannette Landers, Elaine Titus, Emily Nickerson, Margery Ricker, Anne LeBlanc, Mary Walke, Diane Crowley, Sandra Higgins, Manager Phyllis Smerage.

In the first week of December, the girls had their first basketball practice under their new capable coach Miss Maskiewicz.

Thirty eager girls showed up at the new session, and after careful consideration the squad was reduced to twenty capable girls divided into the first and second teams.

The first game of the season was not up-to-par for the girls, although they did win the main game with Ipswich on their court by a score of 40 to 27. In that game Captain Barbara Liscomb scored 31 points, Betty Henley scored 6 points and Margaret Pierce scored 3 points. The game proved most interesting as well as exciting to both teams, because of the close rivalry between them.

One of the top two scorers of the team was Barbara Liscomb scoring 95 points; during the season she averaged 19 points per game. The other girl, Janie Holmes, had 80 points and averaged 10.4 per game. Even though five lettermen are leaving, the squad has good prospects for next year's team.

Junior High Basketball

First Row: Thomas Sinkiewicz, Lewis Foote, Robert Caverly, Fredrick Proctor, Roy Leach, Paul McGinley.

Second Row: William Poole, Robert Morrison, Charles Dolliver, George Delaney, Edward Millett, Coach, Mr. Armstrong.

First Row: Martin Caverly, Edward Hopping, Allen Sanders, Elliot Millett.

Second Row: Francis Collins, Fred Roberts, Stephan Sargent, Allan MacCurrach, Coach Armstrong.

Boys' Basketball

The basketball season for 1952-1953 on the whole was a pretty fair success. This year we played eighteen games and our record was ten and eight. In the Cape Ann League this year we finished third under the auspices of our mentor, Mr. Martini. It was mainly through the capable leadership of our captain, John Carter that we advanced as far as we did. John was the teams' high scorer with 393 points. This was enough to break the school record and good enough for third place on the North Shore.

We hope that next year's team will do as well, if not better, under the leadership of Captain Philip Trussell. Coach Martini faces the hard task of putting together a starting quintet since six seniors are graduating from this year's team. These boys were the main-stay of the team. They were Captain John Carter, Robert Henley, Ted Johnson, Ed Liscomb, Pete Tillson, and Clarence Trepanier.

The team also had the opportunity of playing in the Small Schools tournament. In the quarter finals we lost to Littleton 63-62. This year's graduates wish lots of luck to next year's team.

First Row: Advisor, Mr. Martini, Peter Thimmer, John Carter, Bob Henley.
 Second Row: Philip Trussell, Clarence Trepanier, Ted Johnson.

First Row: John Neary, Lawrence Smith, Raymond Whipple, Jimmy Trussell.
 Second Row: Walter Buzzell, Robert Allen, Donald Lightbody, Peter Thimmer.

EXHIBITION

Proud and happy were the students of Hamilton High School who returned to a remodeled school on September 8, 1952. The students cordially welcomed Mr. Chandler, the new superintendent, who had previously been principal of Attleboro High School; and Mrs. McKey, the new language and dramatics teacher.

This year began enthusiastically with the election of officers as follows:

Grade Twelve	President--Ted Johnson Vice President--John Carter Secretary--Shirley Semons Treasurer--Betty Henley
Grade Eleven	President--Thomas Haraden Vice President--Phyllis Smerage Secretary--Robert Dodge Treasurer--Lee Saunders
Grade Ten	President--Raymond Whipple Vice President--Carol April Secretary--Frank Buzzell Treasurer--Philip Maione
Grade Nine	President--John Phelps Vice President--Thomas Sinkiewicz Secretary--Robert Morrison Treasurer--Edward Millett
Grade Eight	President--Fred Roberts Vice President--Karen Johnson Secretary--Judith Clarke Treasurer--Martin Caverly
Grade Seven	President--Haskell Fuller Vice President--Richard Johnson Secretary--Richard Contestabile Treasurer--Patricia Carlson

Under the leadership of Coach Wilton Moyer and Captain Bob Henley, the football team came through for the second consecutive year as State Champs for six-man football. How proud everyone was of these boys! A banquet was held by the Booster Club in honor of the players. The profits helped to pay the bill of our star half-back, Wayne Gauthier, who was injured during the season.

Then came the basketball season. Coach Carl Martini issued a call for all candidates to report for the first basketball session. From twenty-five candidates, seven boys made the varsity team which was led by Captain John Carter, top scorer in the league making 225 points. He and his teammate, Teddy Johnson, represented Hamilton High School in the All Star Game at Manchester. Next year's team looks good, with Philip and Jim Trussell and John Neary returning. Good luck boys!

At this same time Coach Helen Maskiewicz undertook the hard task of training inexperienced girls for a winning basketball team. For the fourth year, Barbara Liscomb sparkled and was honored as Captain of her team. The girls made many new friends and enjoyed the keen competition of their rivals.

During both seasons, the cheerleaders kept the spirit and morale of the school at a high pitch, led by Co-Captains Betty Henley and Shirley Semons.

Once again, Miss Libby Volk and Barbara Liscomb, this year's business manager, undertook the rugged responsibility of managing the Magazine Drive. Everyone did very well and much credit should be given to the two highest salesmen, Margaret Trepanier and Raymond Jones.

The Hamiltonian

Academically this year the students showed excellent ability and steady effort. Twenty-eight students made the honor roll the first half of the year with four students receiving top honors of 90 or above in all their subjects. They were Thomas Haraden, Donald Killam, Janet Pariseau, and Shirley Semons.

We decided to have a play this year in place of the usual operetta. The play was based on the radio and television presentation of "Our Miss Brooks." An excellent job of directing was accomplished by Mrs. McKey. Phyllis Smerage played the leading role of Miss Brooks. Others with leading rolls were David Geikie and Raymond Whipple.

The candidates for Good Government Day were Emily Nickerson and Charlie Cook of the Conservative Party and Anne LeBlanc and Albert LeBel of the Liberal Party. It proved to be an exciting event!! Anne and Albert were the victors. Later in March, Anne represented H. H. S. at the State House on Good Government Day.

Another interesting program during the year was the annual Legion Oratorical Contest. Six contestants gave a speech on some phase of the Constitution. They were Gail Foster, Shirley Semons, Phyllis Smerage, John Carter, Raymond Jones, and Albert LeBel. Shirley Semons won first place for the second year and then entered the District Contest in Andover. We're proud of you Shirley!

This year, we are proud that Phyllis Smerage represented Hamilton High at Girls' State held at Bridgewater State Teachers College. Congratulations Phyllis!

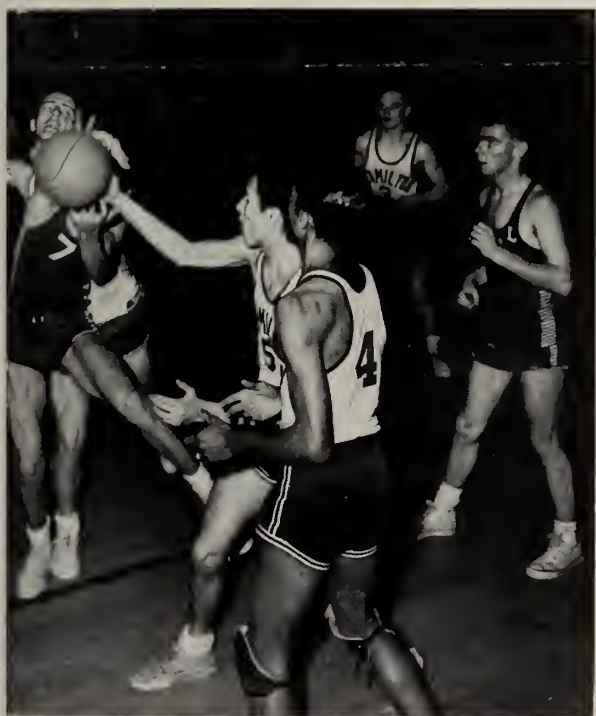

So that the Townspeople could see the work the various classes had done during the year, the school had "Open House". After a display of the work of the students, a fine exhibition of physical education by the students was presented in our gym.

Once again, Miss Austen turned out a fine Glee Club. Accompanied by Johnstone Geikie, the pianist, the Glee Club sang for various occasions throughout the year.

We're also proud of our newly-organized band under the direction of Mr. Wilbur Armstrong. Those in the band were Lionel Pooler, Ted Johnson, Philip Maione, John Carter, Charles Fowlie, Johnstone Geikie, Richard Stillings, John Phelps, and Steven Fowley.

The faculty chose three seniors to speak at graduation. A student is picked on his speaking ability, scholastic rating, and the ability to prepare a speech. The speakers were Glenn Cook, Janet Pariseau and Shirley Semons.

As the year closes, the seniors are anticipating their future lives in this country of many opportunities. For them these last four years will linger always as precious and everlasting memories.

A black and white illustration on a dark background. In the upper left, there is a classical building with a row of columns and a pediment. In the center, a large, stylized bow is tied around a rolled-up scroll. The bow has four loops and is rendered with cross-hatching for shading. The scroll is also wrapped in the same hatching pattern. In the upper right, there are two fluffy clouds, also rendered with cross-hatching. The entire illustration is framed by a thin white border.
